DETAILED ACTION

1. Claims 1, 4-6, 9-11, 14-16, 19 and 20 are pending. Claims 11, 14-16, 19 and 20 are withdrawn from consideration as drawn to a non-elected invention.
2. Applicant's January 30, 2007 Amendment and REMARKS have been reviewed. The previous rejections are withdrawn pursuant thereto.

Claim Rejections - 35 USC § 103

3. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

4. Claims 1, 4-6, 9 and 10 are rejected under 35 U.S.C. 103(a) as being unpatentable over Rodriguez et al. US 7,158,948.

Rodriguez discloses, e.g. Figs. 1A-7B, a purchase transaction, e.g. 702, formatting transaction data into a digital receipt, e.g. e-receipt, selectively omitting identified purchase transaction data, e.g. col. 4, lines 45-59, an optical card machine, col. 3, lines 23-44, transmitting the digital receipt to a storage location for the merchant, e.g. 320, 322, a network, e.g. 202, Figs. 3A, 3B, and a device, e.g. safe card. Rodriguez does not specifically disclose a retail terminal, but does disclose a terminal, e.g. cols. 1-2, lines 65-12, used with purchase transaction settings. Nonetheless, Official Notice is taken that retail terminals used with electronic cards has been common knowledge in

the art. To have provided such for Rodriguez would have been obvious to one of ordinary skill in the art. The motivation for having done such would have been using retail terminals for its intended use.

Applicant's January 30, 2007 REMARKS have been reviewed, but are moot in light of the new grounds of rejection.

5. A further pertinent reference of interest is noted on the attached PTO-1449.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
